# Aim of Youth - Win

THROUGHOUT the world the youth and students are in the forefront of the progressive movement in their countries. In Guiana, the youth must be imbued with the aim of achieving independence and later of building a socialist future. So declared Dr. Cheddi Jagan

wonderful Guardian Library which we in the early days did not have." Practice with

Members of the P.Y.O demonstrate their protest at Lumumba's murder through the city streets. Marching along with them can also be seen in the picture the Party Leader and General Secretary. Returning to Freedom House a wreath was laid over the portrait of Patrice Lumumba with a backdrop of black cloth, affixed to the balcony of Freedom House.

# Independence
