

## TREASURES

God sends us many treasures  
For which we cannot pay,  
The music of the songbirds,  
Sunset at close of day.  
A child's delighted laughter,  
The cool refreshing rain,  
The seed time and the harvest  
Of life-sustaining grain.  
And there's another treasure  
That's just as priceless too,  
He sends Dear Praying Friends  
And so they're praying for you!
