Jagan Sees Guiana’s Governor on Forming Regime

Dr. Cheddi B. Jagan and his wife, the former Janet Rosenberg of Chicago, entering Georgetown last Wednesday after People’s Progressive party won British Guiana election.

A Government House announcement said today that the two had discussed matters relating to the formation of a government and that Dr. for a brief holiday. The talks will resume next Friday. As a result of Monday’s elections, Dr. Jagan’s left-wing party will have twenty-five representatives in the thirty-five-member Legislative Assembly. In the upper chamber, known as the State Council, it will have eight of thirteen seats.

For the first time in colony’s history, an elected Prime Minister Dr. Jagan, will preside over Cabinet meetings. Previously the Governor, as the representatives of the British Crown presided.
