Dear Sir,

I send attached copy of an article in the June 24, 1964 issue of TIME & TIDE which states that I am related to the "Rosenbergs who were executed for treason in the U.S. several years ago". This is not true. I am in no way related to them. Myself and all my relatives in the U.S.A. are very disturbed over this false allegation which has caused harm and embarrassment to all of us.

I hereby request that you act on my behalf to demand an apology and settlement from the publishers of TIME & TIDE.

Yours Sincerely,

Janet Jagan
